

OS-214TT DESKTOP PRINTER

The OS-214TT is an outstanding thermal transfer and direct thermal printer. With advanced standard features and flexible options, the OS-214TT is engineered to meet moderate volume printing applications. With innovative TrueSpeed technology, the OS-214TT has rapid first-label printout and achieves a constant print speed of up to 3 inches per second. The small footprint requires minimum counter space, and its light weight allows the printer to be easily moved to any convenient location.
