SEMBOL BARKOD

Thank you for using BarTender® UltraLite with your Zebra printer. Installing BarTender is simple, just follow these 4 steps to install and activate your copy of BarTender. You'll be creating your first barcode label in no time!

1. Access your BarTender UltraLite Edition software:
   - **On DVD**
   - **By downloading**

2. Locate the BarTender .exe installation file

3. Note your Coupon Code:

   Z35H-KQHF-KG46-9HRM

You will need this unique code number to activate your BarTender software prior to first time use.

4. Double-click the BarTender .exe file to start the installation process

You're all ready to go! Check out this short video on how to get around BarTender and to create your first label:
